

Doris Brevoort

City Council 2009
At-Large

Doris Brevoort supports:

* Critical services needed to maintain the safety and protection of Mount Vernon's residents and their property.

* Increased communication between Mount Vernon's government and its citizens, so that YOU will know about important decisions affecting your life. As well as improve communication between local governments to ensure adequate flood protection and other regional needs are met.

* A smart design for the development of our city. Well designed, energy efficient buildings in current urban areas will decrease our dependence on foreign sources of energy as well as providing a better quality of life for all of Mount Vernon's residents.

*Innovative leadership for
Mount Vernon's
City Council!*

Paid for By the Committee to Elect Doris
Brevoort for City Council 2009
